

NOTE: SRMCB refers to the State Reclamation and Mosquito Control Board, meaning that if a municipality is marked as “Yes SRMCB” it means that the local government is a member of a mosquito control district or project, whereas “NO SRMCB” means that they are not and make their own decisions regarding mosquito control. If your town does not appear in our system, you can double check by looking at the lists below with the disclaimer: “Does not appear in the system”.

When reaching out to your local government, it’s important to check where it falls so that you can send the appropriate targeted message! If you have any questions, please contact info@beyondpesticides.org with the subject line: “MA Local Control Inquiry: [Insert City/Town Name]”
